

## INTRODUCTION

Energy Sistem™ Thank you for purchasing the Energy elnk eReader e6 Rubber Grey. The following sections provide an overview of your new device and its basic features. Please read everything carefully before start using the product.

## IMPORTANT SAFETY INSTRUCTIONS

To ensure your safety and the safety of others, please ensure that you read all the safety information before operating this product.

Keep this information in a safe place for future reference.

### Cautions

**We strongly recommend reading the points below before operating this product:**

- ▶ Back up the data periodically to another safe media. Under no circumstances there is not any liability regarding data damage or loss.
- ▶ Do not place the reader near devices that emit strong magnetic fields. It may cause data damage or loss.
- ▶ Do not disassemble or remodel the device.
- ▶ Do not let the device drop or shock.
- ▶ Do not use the device under heavy moisture or wet.
- ▶ Do not press strongly the device screen.
- ▶ Do not use the device in a dirty or dusty environment.
- ▶ Do not remove micro SD/SDHC card or turn off the device during data writing or reading to prevent damage to data and to the device.
- ▶ Make sure the micro SD/SDHC card is unlocked before writing or deleting data in the SD card.

## VISUALIZATION

1. **Music:** To access the audio player menu.
2. **M Options:** To access the option menu during reading or music playback. Press to change the view to thumbnails or list view.
3. **Joystick:** to move up/down/left/right on the different menus. During reading, music playback or image visualization is used to open the previous/next file.
4. **Enter:** To confirm a selection.
5. **Return/cancel:** To cancel selection or return to previous menu.
6. **Font:** To access the font settings menu during reading. During images visualization is used to zoom in/zoom out.
7. **Battery charge level LED.** During charging the LED will turn red, and blue when the battery is fully charged.
8. **Access/Numeric buttons:** To select options and input numbers displayed in the right submenu. These buttons are available only to select options in view mode.
9. **Previous button:** During reading move to the previous page. In navigation mode move to the previous page in the list. In music mode allows you to increase the volume level.
10. **Next button:** During reading move to the next page. In navigation mode move to the next page in the list. In music mode allows you to decrease the volume level.

## II. Reset button.

12. Headphone jack.

13. Micro USB jack for data transfer or battery charging via computer.

14. MicroSD/SDHC card reader slot.

15. **Power ON/OFF:** press until the eReader turns ON. The starting takes a few second and the welcome screen will be displayed. To Power OFF keep pressing the Power button.

## GETTING STARTED

1. We recommend making a full charge of the battery before first use. Connect the eReader through the supplied USB cable to your personal computer.
2. We recommend that the first three charges of the battery are 12 hours each; with this you will extend the battery life and will give you a longer time of use. The following charges only will require about 5 hours to fully charge the battery.
3. Your eReader is powered by a special Li-ion polymer rechargeable battery. When the battery becomes low, connect the reader through the micro USB cable to your computer USB port.

The charging status is shown as below:

## POWER ON/OFF

To power on your eReader press the **POWER** button for 2 seconds to start the device.

The first time you use your device or after a factory restore the language startup screen will be displayed allowing you to select the language for the user interface.

## FILES MANAGEMENT

From the browser of your computer you can copy, delete and organize files or folders.

When you connect the device to the computer, the eReader is blocked and it is not possible to use it until the connection is completed.

The internal memory files are organized in various folders (factory default). You can create, delete and organize internal folders.

If you have a micro SD/SDHC card inserted, the device will compile all the information stored in it.

## USING MICRO SD/SDHC CARDS

The Energy elnk eReader e6 Rubber Grey supports standard Micro SD/SDHC cards for storing thousands of books, music and pictures.

- ▶ Supports standard Micro SD/SDHC cards up to 32 GB.
- ▶ To begin, slide in the card into the slot, be sure that contacts of the card must be face down and the label face up.
- ▶ To eject the card, just push it in slightly.

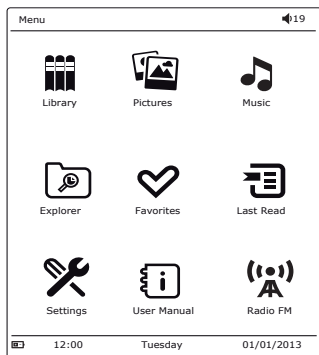

### Notes:

- ▶ You will know when the Micro SD/SDHC is ready to use when it appears as TF Card device in the Explorer.
- ▶ If Micro SD/SDHC card cannot be recognized by the device, you should remove the Micro SD/SDHC card again and reboot the device.
- ▶ When the system is reading or writing data, please do not remove the memory card or reset the system.
- ▶ If you need to reformat the Micro SD/SDHC card please create a backup copy of your files previously and format the Micro SD/SDHC card in FAT/FAT32 file system.
- ▶ To perform a search of the files stored in the memory card access to the Explorer menu.

# USING YOUR ENERGY EINK EREADER E6 RUBBER GREY

## MAIN MENU

The main menu appears automatically when power on the eReader. You can return to the Main Menu always you need by pressing on the button .

1.  **Library:** Access to the explorer for the eBooks stored in the reader internal memory (flash memory) or at the micro SD/SDHC memory card.
2.  **Photos:** Access to the explorer for the images files stored in the reader internal memory (flash memory) or at the micro SD/SDHC memory card.
3.  **Music:** Access to the explorer for the audio files stored in the reader internal memory (flash memory) or at the micro SD/SDHC memory card.
4.  **Explorer:** open the files explorer.
5.  **Favorites:** Access to the all the Ebooks you have marked as Favorites.
6.  **Recents:** Access to the last read eBooks list.
7.  **Settings:** Access to the system settings menu.
8.  **Manual:** Access to the eReader user manual.
9.  **FM Radio:** Access to the FM Radio.

## LIBRARY

Display all the ebooks included in the internal memory or external micro SD/SDHC memory card.

You can select how the ebooks browser displays by pressing the option key **M** on your device: list or thumbnails mode (preview of the ebooks covers).

To open an ebook moves the cursor to the desired book with the navigation buttons and press the ENTER key.

**Note:** If the file is stored on a micro SD / SDHC will be displayed in the list but can not be opened if the micro SD card / SDHC has been extracted.

## EBOOK READING FEATURES

After opening an ebook, you can use these features to make appropriate adjustments. To access these features press the options key **M**:

- ▶ **Go to page:** To go to the desired page enter the exact page number, use the direct access button to select the page number appears on the screen and to confirm press the enter button.
- ▶ **Add bookmark:** To improve the reading experience you can add bookmarks. The bookmarks are organized and accessible when you require. You can add 5 bookmarks per ebook as maximum. Access to this option to add a bookmark.
- ▶ **Get bookmark:** To open a bookmark.
- ▶ **Delete bookmark:** To delete a bookmark.
- ▶ **Auto mode:** to start the automatic reading. You can define the turning pages time as follows : 20 seconds, 30 seconds, 40 seconds, 1 minute and off.
- ▶ **Screen Rotate set:** to rotate the screen vertically and horizontally. You can choose from the following functions: automatic rotation enabled (g-sensor), disable or manual rotation.
- ▶ **Screen refresh:** Select the screen refresh mode. You can choose a total refresh each page or a partial refresh every 5 pages. The partial refresh guarantees a higher level of battery life of your eReader.

- ▶ **Night mode:** enable/disable the night mode. This function changes the background color to black and the font colour to white making easier to read poorly-lit rooms.
- ▶ **Add to favorites:** add the current ebook to the favorites list. You can quickly access to the ebooks marked as favorites selecting the icon from the main menu.

By pressing the key  you can access the settings menu font size and type:

- ▶ **Font size:** Choose from 5 different font sizes available on your eReader: S, M, L, XL, XXL.
- ▶ **Font type:** select from 4 different font types on your eReader. This option is available only for epub and fb2 formats.

## PHOTOS

This option allows you to access to the complete library of images files stored in the reader internal memory (flash memory) or at the micro SD/SDHC memory card.

From main menu, select the icon  to access to the pictures menu.

You can select how the photos browser displays by pressing the option key **M** on your device: list or thumbnails mode (preview of the images).

During images visualization by pressing the options key **M** on your device, you can select:

- ▶ **Slides:** to enable/disable the automatic images playback. You can set interval time for a slide show: 5 seg, 10 seg, 20 seg, 30 seg, 50 seg or disable.
- ▶ **Screen rotation:** to enable/disable the automatic screen rotation (g-sensor).

## MUSIC

This option allows you to access to the complete library of audio files stored in the reader internal memory (flash memory) or at the micro SD/SDHC memory card. On the main menu select the icon . All the audio files stored in the reader internal memory or micro SD/SDHC card will be displayed.

You can select how the music browser displays by pressing the option key **M** on your device: list or thumbnails mode (preview of the albums covers).

You can listen music while reading an ebook (except PDFs) or visualize images. To do

this, you must activate the music player before you start reading. You can access your ebooks or pictures and music will continue playing. During playback you can quickly access the music player by pressing the Music key  on your device.

**Note:** Books and files in PDF format consume many processor resources memory, so it do not allow images rotation or music playback simultaneously when you have open an eBook with PDF extension.

During music playback by pressing the options key **M** on your device, you can select:

- ▶ **Play mode:** to adjust the playback mode. You can choose from repeat one, repeat all, random or sequential mode.
- ▶ **Set EQ:** to adjust the EQ mode. There are the following sound effects available: Normal, Pop, Rock, Classic, Bass and Jazz.

## EXPLORER

From this option you can explore all the files stored in the reader internal memory (flash memory) or at the micro SD/SDHC memory card. Select the icon on main menu

to access the Explorer.

## FAVORITES

This option allows you to access the books marked as Favorites. From main menu, select the icon  to open the Favorites Menu. All the books marked as favorites will be displayed.

To add an ebook to your favorite list just add it from the options menu **M**, while reading. The file will be automatically marked as favorite. You can add up to 9 ebooks as favorites.

## RECENTS

From this option you can access to the last read ebooks. Select the icon on main menu

to access the last read list.

## SETTINGS

From Main Menu you can access to the Settings menu by selecting the icon . The Settings menu consists of the following options:

- ▶ **Language:** to change the user interface language.
- ▶ **Set time:** to set the current time and date.
- ▶ **Auto-Shutdown:** allows you to set the time when the device should shutdown after non-activity period.
- ▶ **Screensavers:** allows you to set the time when the device should displays the screen savers after non-activity period: 1 miute, 3 minutes, 5 minutes or disable.
- ▶ **Clear history:** delete the last read history.
- ▶ **Restore Default:** Restores the factory-default settings. Take into account that with this option you will delete all your configurations set previously.
- ▶ **System Info:** displays the information of your eReader (Manufacturer version, available internal memory and available memory in the micro SD/SDHC card).

## MANUAL

From Main Menu select the icon Manual  to access the Digital version of the User Manual.

## FM RADIO

From Main Menu select the icon Manual  to access the FM radio application built-in your eReader. The FM Radio Options menu allows you to:

- ▶ **Save Channel:** add the current station to your favorites list.
- ▶ **Open Channel:** Tune one of the stations marked as favorites.
- ▶ **Delete Channel:** delete a station from your favorites list.
- ▶ **Presets:** when auto search is performed all the tuned channels are added to this menu.
- ▶ **Auto Search:** starts the channels automatic search.

## ADOBE READER® INSTRUCTION DRM

Adobe DRM protected PDF and EPUB files are supported only if Adobe Digital Editions is installed on your computer and your eReader is connected to the computer.

**Setup:**

1. Install the Adobe Digital Edition on your computer.
2. After installation, open the above software, and enter your Adobe account.
3. After turning on the eReader, (click on "Set DRM" which is included in the "Settings" interface. Please ignore this item if you cannot find it). Then, keep the Adobe Digital Edition open, and connect the eReader to the computer, there will show a window for activation. Click "Authorization", then DRM activation is completed.

**Notes:**

1. The authorization information is stored in microSD card. Thus, you need to active the device again if using a new microSD card.
2. After activated, if you want to use a new account to active, please delete the hidden folder under SD root ".adobe-digital-editions".

**Please refer to below website for more information.**

[www.adobe.com/products/digitaleditions](http://www.adobe.com/products/digitaleditions)

**TROUBLESHOOTING****The device hang or cannot be switched on.**

- ▶ If battery has been fully deplete the device will not have enough capacity to power on.
- ▶ Charge the device using the USB cable at least for one hour. Press the POWER button.
- ▶ If you have the eReader connected to the computer, please disconnect and press the POWER button.
- ▶ Restart the device by pressing the Reset button.
- ▶ As last resource we recommend you to update the firmware with the last version available in our website.

**Battery capacity seems short:**

- ▶ The battery was not used for a long time. Please charge the device completely.
- ▶ The battery is not fully charged. Please charge the device for approximately 5 hours.

**Cannot read/open en ebook:**

- ▶ Check if the ebook format is supported by device.

**The device cannot be operated during micro USB connection**

- ▶ The device cannot be operated while it is transferring data to a computer to prevent any damage on reader internal memory or micro SD/SDHC card.

**Micro SD/SDHC card is not being detected:**

- ▶ After inserted a micro SD/SDHC card, if your device has no response, please take out and insert again.
- ▶ Do not remove micro SD/SDHC card or turn off during data writing or reading to prevent damage to data and your device.
- ▶ Make sure the micro SD/SDHC card is unlocked before writing or deleting data in the micro SD/SDHC card.
- ▶ Backup your files and data before formatting the micro SD/SDHC card. Please format the micro SD/SDHC card in FAT/FAT32.
- ▶ Your eReader only can read micro SD/SDHC cards up to 32 GB.

**Why do some EPUB documents not look right on my Energy Book?**

- ▶ Many publishers and convert software are supporting this format, but without maintaining a single standard set. One of the most common problems is when the creator puts everything EPUB e-book content in a “chapter” in EPUB. This can cause the document reading differs with formatted text, margins, gaps, etc.

**Can I listen music while reading?**

- ▶ Yes, except in PDF format.
